Note: The curb stop is City property and Tampa City Code prohibits anyone other than an authorized representative of the City from turning off or turning on water at the City’s curb stop. Any damage to the City valve, water meter or service as a result of unauthorized use will be billed to the account holder. We suggest that consumers install a private shut off valve on property so that they can turn their water off as needed.

To request a field technician be dispatched to turn off and turn on water at the curb stop, please refer to the Water Emergency section. Fees may apply for same day or non-business hour response.
Your account is billed monthly about 20 days before the due date. Included on the bill are charges for all applicable services listed:

- Water
- Reclaimed Water
- Wastewater
- Solid Waste (refuse, recycling, special pick-ups)
- Tampa Bay Water Pass-Through
- All Other Service Charges
- Utility Tax/Fees

To avoid late fees and/or service interruptions, payments must be received and posted by the due date on the bill.

Bills are mailed monthly to the mailing address provided by the customer of record. Please notify us of any changes immediately.

Your monthly bill and account information can also be accessed online at: tampagov.net/UtilityBill using your utility services account number or your email address on file with us.

Requests to change service or account information may be submitted on-line through the Customer Service Center at: tampagov.net/UtilityBill. Please allow at least five (5) business days for changes to be processed and updated. We encourage you to keep your contact information current in the event we need to contact you regarding your account or services.

Refuse and Recycling

Refuse and recycling should not be set out for collection any earlier than sunset the day prior to collection and no later than 6 a.m. on the day of collection. All refuse receptacles must be placed within an unobstructed arms reach of the street, curbside or alley for collection.

Holiday schedules are announced through the media, on the Solid Waste Department’s website at: tampagov.net/SolidWaste and in your monthly utility bill.

The City of Tampa does not provide service make-up days for the collection of household materials following observed single-day holidays. For residential customers whose regularly scheduled collection falls on a City of Tampa observed holiday, collection will resume on the next regularly scheduled service day.

**Observed City Holidays Affected:**

- New Year’s Day
- Martin Luther King, Jr. Day
- Spring Day/Good Friday
- Memorial Day
- Independence Day
- Labor Day
- Veterans’ Day

**Residential Solid Waste Senior Discount:**

Residents over the age of 65 may obtain a discount on their monthly refuse bill. The application is available on-line at: tampagov.net/cotu or tampagov.net/SolidWaste.
Water use restrictions are in place year-round to help ensure a sufficient quantity of drinking water for the Tampa community. Restrictions are subject to change in response to local and regional water supply conditions. Restrictions information is available online at: tampagov.net/WaterRestrictions or by calling (813) 274-8032 for a recorded summary.

Learn about ways to save water at home or work. Using water efficiently is good for the environment, for our community, and for our future. It can help you manage your water bills, too!
