

The Ybor City Development Corporation Inc. created the Special Events Co-sponsorship Grant Program in 2006 as an economic development tool to help further Ybor City's Community Redevelopment Plan and remedy slum and blighted conditions present in the Ybor City Historic District. The grant program incentivizes promoters to host daytime, family-friendly, arts and cultural events that will support the local economy, attract new business development and investment as well as promote a positive perception of Ybor City. The Community Redevelopment Agency of the City of Tampa approves the annual Ybor CRA 1 grant program and the Ybor City Development Corporation Inc. is the administrator.

In addition to the Ybor Community Redevelopment Plan, the recently completed Ybor City Vision 2020 Plan and Strategic Action Plan supports attracting and funding special events as part of a comprehensive arts and cultural strategy. Ybor City's cultural heritage, historical character, unique architecture and concentration of businesses make it an especially attractive location for events. Events programmed here go from district-wide festivals that consume the historic district to smaller parochial events that do not require a street closure. The district also is home to Centennial Park, a special events venue in the heart of Ybor City.

In addition to the grant program, YCDC provides the following assistance:

- ❑ Marketing and cross-promotion of event via Ybor FLASH and on social media platforms;
- ❑ Posting events to the district calendar, on website and on printed district posters;
- ❑ Coordination of city-sponsored services and event layout;
- ❑ Access to the YCDC YES Team contractor for supplemental clean-up services, for a fee; and
- ❑ Public restroom facilities in the City garages and Centennial Park with security

When considering an event, applicants should consult local calendars of events to insure date availability and contact the City Special events office regarding permitting.

B. Grant Committee

The appointed YCDC Grant Review Committee will review all applications and decide funding recommendations at their publicly noticed meeting. All applicants are encouraged to attend the meeting and be available to answer any questions that arise. The Committee recommendation is forwarded to the YCDC Inc. Board for final approval. The YCDC Inc. Board has full discretion and authority when deciding final funding recommendations regardless of the Committee's recommendations.

C. Scoring Criteria:

The Committee has employed a points-based system totaling 100 points to rank and score event applications. Five categories make up the application and, in the past, each section was 20 points. The five categories are as follows:

1. Project Description & Type of Event
2. Goals of the Project/Event and its History/Track Record in the Community
3. Target Audience, Estimated Attendance, Economic Impact Short- and Long-term
4. Outreach/Community Partnerships & Contributions Committed/Received
5. Proposed Grant Budget & Use of Grant Funds

D. Grant Funding Recommendations:

The Committee has employed several methods to make grant funding recommendations since the program's inception. Their method can change year-to-year at their discretion and depending on the fiscal year's program budget. Here is a methodology utilized in recent years:

1. Eliminate the high and low individual member scores prior to establishing the average score for each application.
2. Establish a funding threshold based on scores and eliminate low scoring applications.
3. Each committee member assigns funds to each application and then averages that amount to determine grant award.

E. Grant Disbursement

1. This is a reimbursement grant program. Disbursement will take place once 30 days has passed since the event date and all required information is received.
2. Grant award disbursements must be completed within the approved fiscal year and one-year from date of grant approval.
